Garmin's Vivoactive 3 is a more well-rounded GPS smartwatch  
2019/06/25

The first thing you'll notice about Garmin's new Vivoactive 3 GPS smartwatch is that it's round not square or rectangular like previous Vivoactive models. It's also packed with features, including a heart-rate monitor, 15 built-in indoor and outdoor sports apps and the company's new contactless-payment solution Garmin Pay. Additional free apps, widgets and watch faces can be downloaded via Garmin's Connect IQ store.
